Case No. 4:10CR3017

**TENTATIVE
FINDINGS**

I am in receipt of the revised presentence investigation report and addendum, the defendant's objection and variance motion, and the government's sentencing statement in this case.

IT IS ORDERED that:

(1) The undersigned will consult and follow the Guidelines to the extent permitted and required by *United States v. Booker*, 543 U.S. 220(2005) and subsequent cases. *See, e.g., Gall v. U.S.*, --- S.Ct. ----, 2007 WL 4292116 (2007). In this regard, the undersigned gives notice that, unless otherwise ordered, he will (a) give the advisory Guidelines such weight as they deserve within the context of each individual case and will filter the Guidelines' general advice through §3553(a)'s list of factors¹; (b) resolve all factual disputes relevant to sentencing by the greater weight of the evidence and without the aid of a jury; (c) impose upon the government the burden of proof on all Guideline-enhancements; (d) impose upon the defendant the burden of proof on all Guideline-mitigators; (e) depart from the advisory Guidelines, if appropriate, using pre-Booker departure theory; and (f) in cases where a departure using pre-Booker departure theory is not warranted, deviate or vary from the Guidelines when there is a principled reason which justifies a sentence different than that called for by application of the advisory Guidelines.²

(2) The defendant's objection to drug quantity (filing 66) and variance motion (filing 67) will be resolved at a one-hour evidentiary hearing, with sentencing to follow. The defendant's evidentiary hearing and sentencing are rescheduled to Thursday, March 3, 2011, at

¹However, I will no longer give the Guidelines "substantial weight."

²See note 1.

12:00 noon.

(3) The defendant's motion to extend deadline (filing 65), the government's motion to extend deadline (filing 69), and the government's motion to file out of time (filing 70, part 1) are granted.

(4) The government's sentencing statement (filing 70, part 2) will be taken up at sentencing.

(5) Except to the extent (if at all) that I have sustained an objection or granted a motion or reserved an issue for later resolution in the preceding paragraph, the parties are herewith notified that my tentative findings are that the presentence report is correct in all respects.

(6) If **any** party wishes to challenge these tentative findings, said party shall, as soon as possible, but in any event at least five (5) business days before sentencing, file in the court file and serve upon opposing counsel and the court a motion challenging these tentative findings, supported by (a) such evidentiary materials as are required (giving due regard to the requirements of the local rules of practice respecting the submission of evidentiary materials), (b) a brief as to the law and (c) if an evidentiary hearing is requested, a statement describing why an evidentiary hearing is necessary and how long such a hearing would take.

(7) Absent submission of the information required by the preceding paragraph of this order, my tentative findings may become final and the presentence report may be adopted and relied upon by me without more.

(8) Unless otherwise ordered, any motion challenging these tentative findings shall be resolved at sentencing.

February 2, 2011.
